URGENT

PLEASE DISSEMINATE TO ALL STAFF

Learning Improvement Fund

A Joint Committee (VBE/VTF) has been struck to address the implementation of LIF funds and has agreed upon the following process.

Principals will be calling staff meetings this week. These meetings are to be completed by May 25th and should cover the items below. **Teachers are attending these meetings to receive information only and are NOT there to be consulted and/or to provide feedback.**

You can expect the Principal to:

- Share the levels of staffing and resourcing provided by the board
- Provide an overview of the timetable to date
- Share the request that the administration is making to the district

Principals will also provide a copy of the request to the Staff Committee Chair.

In June, the Joint Committee will meet to review each school's timetable and request. Allocations to schools will be determined at this time. The intent is to have this staffing in place prior to September start-up.

Bear in mind that the total funds allocated to Vancouver are a fraction of what is needed to meet the needs of students and to restore staffing to 2001 (pre-Bills 27 and 28) levels.
