

# School Team Bulletin

Volume 7 Issue 8

May 14, 2014

## PROVINCIAL BARGAINING 2014 Update and Survey

The latest issue of the Provincial Bargaining Bulletin is now posted on the Members Portal on the BCTF website. **All teachers are urged to access the portal and read the bulletin.** The employer's response to our most recent proposals has been less than encouraging.

**It is vital that the VSTA Table Officers get feedback from teachers.** The BCTF Representative Assembly meets on May 30 and 31; therefore, our Local Representatives (Debbie Pawluk, Chris Stewart and Trish Mugford) need direct member feedback so they can represent your collective voice in discussions on Provincial Bargaining and Job Action. Empower your LRs and ensure that all teachers have a voice in determining our next steps in Job Action.

We are seeking input from all schools/sites. Staff Reps are encouraged to call a Staff Organization meeting in the next week to discuss the questions below. Please note the timeline below and come prepared to represent your school at Council on May 29.

### SURVEY FOR STAFF ORGANIZATIONS ONLY
