Employment Insurance Seminar

Navigating the EI Claim Process for Teachers Teaching on Call

BC Teachers' Federation

As the end of the school year approaches, TTOCs will start to ask many questions about their eligibility for Employment Insurance to help make ends meet during the coming months. **Employment Insurance: Navigating the EI Claim Process** takes participants through the application process step-by-step, so that the process is demystified, and alerts TTOCs about their ability to keep a claim open all year. This BCTF workshop will help TTOCs understand the steps to follow in applying for and obtaining EI benefits.
