

EMPLOYMENT INSURANCE WORKSHOP

29 MAY | **4:00 TO 6:00 PM**
VIRTUAL, VIA ZOOM

Navigating Employment Insurance (EI) claims can be a complicated process for TTOCs. If you are a regular TTOC without a contract — as opposed to permanent or PTOC — you may be eligible to claim EI over winter, spring, and summer breaks. However, those who are offered and accept contracts through the spring transfer process, where the contract begins in September 2025, are not eligible.

TTOCs are invited to attend a BCTF workshop designed to inform members of their eligibility and how to navigate the process.

Interested TTOCs can RSVP to ashley@veaes.ca.
