

# SCHOOL STAFF COMMITTEE RELEASE DAY

## Thursday, February 19<sup>TH</sup>

### 9am - 3pm | VSTA office

#### Engaging, Inclusive, and Productive Meetings

BC Teachers' Federation

The VSTA is providing a dedicated release day to support School Staff Committee representatives. This initiative is designed to foster team building among committee members, allowing them to collaborate more effectively within their respective schools.

### Workshop: Engaging, Inclusive, and Productive Meetings

As part of the day's agenda, the British Columbia Teachers' Federation (BCTF) will facilitate a workshop entitled ***Engaging, Inclusive, and Productive Meetings***. This session will equip participants with strategies and tools to enhance the quality and inclusivity of their meetings, enabling more productive outcomes.

### Site-Specific Collaboration

In addition to the workshop, time will be allocated for School Staff Committee representatives to work together on issues unique to their individual school sites. This collaborative session will provide an opportunity for reps to address site-specific concerns, share best practices, and strengthen their approach to problem-solving within their teams.

|                        |  |
