MARCH 17, 2020

The situation is in flux and will change as events unfold. We ask all members to stay informed as the BCTF works closely with the Ministry of Education over the next few weeks. There are currently more questions than answers.

At this time teachers should be prepared to return to work after the break and **continue to check both personal email for BCTF updates and VSB email for more information.**

Contract teachers will be paid, however, it remains unclear if those teachers self-isolating due to out-of-country trips will be eligible for sick leave.

TTOCs will be receiving ROEs from the VSB and be eligible for EI. More information to come.
