

Vancouver Secondary Teacher's Association

GOALS

To foster and advocate for the cause of public education and the welfare of Vancouver Secondary Teachers by:

- 1. Advocating for a strong, adequately funded public education system.**
- 2. Upholding the rights of children to receive equitable opportunities in education.**
- 3. Highlighting the professional status of teachers.**
- 4. Promoting the professional development of teachers.**
- 5. Providing leadership in the advancement of social and environmental justice.**
